

19" 1U Cable Management Brush Strip open at the bottom tool-free black

Description

The 19 inch cable bushing with open underside by Delock is the perfect solution for clean and structured cable routing in 19 inch racks and cabinets.

Tool-free assembly for time-saving installation

Thanks to the tool-free snap-in assembly, the brush strip is particularly quick and easy to install.

With open underside

The open underside of the brush strip enables particularly flexible cable routing - ideal for vertical cables or larger cable bundles. The cables can therefore be easily inserted from below without being kinked or constricted

Protection against foreign particles

The included nylon brushes prevent ingress of dust and dirt.

Item no. 90629

EAN: 4043619906291

Country of origin: China

Package: Box
